**EFE-GLOBAL FILM RELEASE**

This month, an epic partnership and global teams collaborated on a project to honor the legacy of the late Dr. Bahman Ghadessy.

**BRIGHTER VISION FOUNDATION GRADUATION**

In 2022, the Brighter Vision Foundation is accepting applications for its Professional Fellows Program to engage with professionals in the U.S. to promote economic opportunities and empower youth, minorities, and marginalized populations.

**FEBRUARY 2022 NEWSLETTER**

- **EFE-Maroc’s Job Fair**
  - Morocco: EFE-Maroc hosted a job fair for students and young professionals.
  - The event aimed to connect young motivated profiles with employers.

- **EFE-Tunisie Launches StarTech Program**
  - Tunisia: EFE-Tunisie launched the StarTech Technology Incubator Program to provide entrepreneurship skills through end-to-end support.

- **Professional Fellows Program**
  - The US State Department Professional Fellows Program is an award-winning program for talented young leaders to work in U.S. embassies or attach themselves to professional organizations.

- **Virtual Site Visit to EFE-Jordan**
  - Jordan: A virtual site visit allowed donors to board a plane and fly to Amman to hear directly from EFE alumni, trainees, employers, and leaders.

- **Economically Empowering Women**
  - The Visa Foundation is committed to supporting women in developing countries.

- **Farewell Session**
  - EFE-Jordan held a farewell session for the beneficiaries after being enrolled in the project.
